Our warmest CONGRATULATIONS to the organizers, participants, and guests of International Conference on Technological and Social Innovations 2018 held in Parklane International Hotel Cebu City, Philippines.

We Cebuano Mechanical Engineers in PSME are glad that you have chosen Cebu as the venue of the 1st ever ICTSI conference in disseminating eloquent and innovative research results, stem from a vast spectrum in the field of Engineering.

A special thanks to Prof Dr Fujii for leading and spear heading this international activity with his unwavering commitment and untiring effort that this endeavour will come into reality.

Again, to everyone participating this whole affair our Warmest CONGRATULATIONS!

Engr. Samuel Sanchez
